

HALLOWEEN COMMUNICATION CARDS

Helpful messages for Halloween night

Cut out the cards you want to carry. Use only the ones that help.

Hi!

I may not say 'trick or treat.'
Please feel free to offer me
a treat anyway.
Happy Halloween! 🎃

Words are hard right now.
Thank you for giving me
a little extra time.

I communicate differently.
I may use AAC, gestures, facial
expressions, or no response at all.

I need a little more space.
Thank you!

No jump scares, please.

I need a quiet break.

I'm all done.
Happy Halloween!

Something helpful to know:

These cards do not require diagnosis disclosure and can be used by anyone who finds them helpful.
